1. Action on April 17th Minutes (Attachment A)

Motion was made by Jeff Leithauser and second by Amy McKinney to accept the April meeting minutes with no revisions. TTC approved.

2. Public Comment

There was no public comment.

3. FHWA/Central Office Reports

a. State Updates

Kevin McCullough and Chuck DiPietro shared updates on the below topics.

1. Second Quarter Progress Reports from Central Office (Attachment B)

The second quarter program progress report was highlighted. In general, the region is ahead of the rest of the state. Our three District Executives continue to be very aggressive at delivering the program for the SPC region.

2. [New Round of PA Rail Freight Assistance Funding](#)

The Bureau of Rail Freight, Ports and Waterways announced the opening of its grant application acceptance period. Both the 2014 Capital Budget Rail Transportation Assistance Program (RTAP) and 2014 Rail Freight Assistance Program (RFAP) Round II will begin accepting applications on Thursday, May 1st through Friday, May 30st. For more information, please click on the above link.

b. Federal Updates

Matt Smoker and Chuck DiPietro shared updates on the below topics.

I. Transportation Reauthorization

i. [The Grow America Act](#)

The Generating Renewal, Opportunity, and Work with Accelerated Mobility, Efficiency, and Rebuilding of Infrastructure and Communities throughout America Act, (GROW AMERICA Act), is the Administration's \$302 billion, four year transportation reauthorization proposal that provides increased and stable funding for our Nation's highways, bridges, transit, and rail systems. For more information, please click on the above link.

ii. [Senate EPW MAP-21 Reauthorization Bill](#) (Handout 1)

The U.S. Senate Environment and Public Works Committee's (EPW) MAP-21 Reauthorization proposal reauthorizes the current federal surface transportation law MAP-21 for six years. Due to the jurisdiction of the Senate EPW Committee, this bill only addresses the highway portion of the program. Other committees in the Senate have jurisdiction over the transit, safety and funding aspects of reauthorization. For a summary of the bill please click on the above link.

II. [HSIP National Performance Management Measures](#)

The U. S. Department of Transportation has issued proposed rulemaking for the National Performance Management Measures for the Highway Safety Improvement Program. Comments will be accepted through June 9th. To view the rulemaking, please click on the above link.
