

**2017-2020 TRANSPORTATION IMPROVEMENT PROGRAM  
FOR SOUTHWESTERN PENNSYLVANIA**

**APPENDIX 10**

**CHANGES TO THE  
2017-2020 TRANSPORTATION IMPROVEMENT  
PROGRAM IN RESPONSE TO PUBLIC COMMENTS**

## Appendix 10. Changes to the 2015-2018 Transportation Improvement Program in Response to Public Comments

In accordance with SPC’s Public Participation Plan, the public is offered the opportunity to review the Draft 2017-2020 Transportation Improvement Program, and to provide comments during a public comment period. This public input opportunity was widely advertised, and a series of ten public meetings are held to provide additional opportunities for public comment.

### SUMMARY OF PROJECT CHANGES TO 2017-2020 TIP

- All Districts - Various project descriptions were improved to provide more detailed information. This was predominately in response to comments from the interagency air quality review.
- Five bridge projects added in PennDOT District 11 (per PennDOT request)
  1. SR 1014 Hite Road over Allegheny Valley Expressway in Harmar Township, Allegheny County (\$4.6M)
  2. SR1019 (Butler Logan Road) over Allegheny Valley Expressway in Frazer Township, Allegheny County (\$4.0M)
  3. SR 3017 over Peters Creek in Jefferson Hills Borough, Allegheny County (\$1M)
  4. Kummer Road over Pine Creek in McCandless Township, Allegheny County (\$1.25M)
  5. Remove Bridge over Little Beaver Creek in South Beaver Township, Beaver County (\$800k)
- Indiana County Transit Authority’s “Operating Assistance – Rural” project (MPMS# 65421) inadvertently omitted the Section 5311 Rural Transit Assistance Program funding. This federal funding, which is administered by PennDOT, totals \$851,000 over the four years of the TIP.
- The TIP Financial Summary table in Appendix 3 was adjusted to reflect the additional 5311 funding for Indiana County Transit.
- The line in the table labeled “Federal Transit Formula Funds” was changed to read:

2017	2018	2019	2020	Total
\$72,683,841	\$66,040,750	\$64,070,939	\$62,138,986	\$264,934,516

- The last line in Appendix 6, the SPC Transit Program of Projects Index, “Total – Transit Funds”, was changed to read:

\$264,934,516	\$1,439,963,654	\$33,663,652	\$170,572,006	\$1,909,133,828
---------------	-----------------	--------------	---------------	-----------------

The following updated pages include TIP Financial Summary table in Appendix 3, and the Transit TIP Index and ICTA’s list of projects, both in Appendix 6.

\* A statewide reserve of \$25 million per year in federal CMAQ funds to flex to transit in accordance with agreements associated with PA Act 3 of 1997.  
\*\* Future project selection from state reserve funding. Projects, if any, will be added to the SPC TIP upon PennDOT project selection.  
\*\*\* The total project cost for SB/22-79 is \$770 million over a seven year period; some project funding already expended in pre-TIP period.  
\*\*\*\* Includes the I-579 Cap project and I-376 Reconfiguration/SR-18 Relocation projects.
